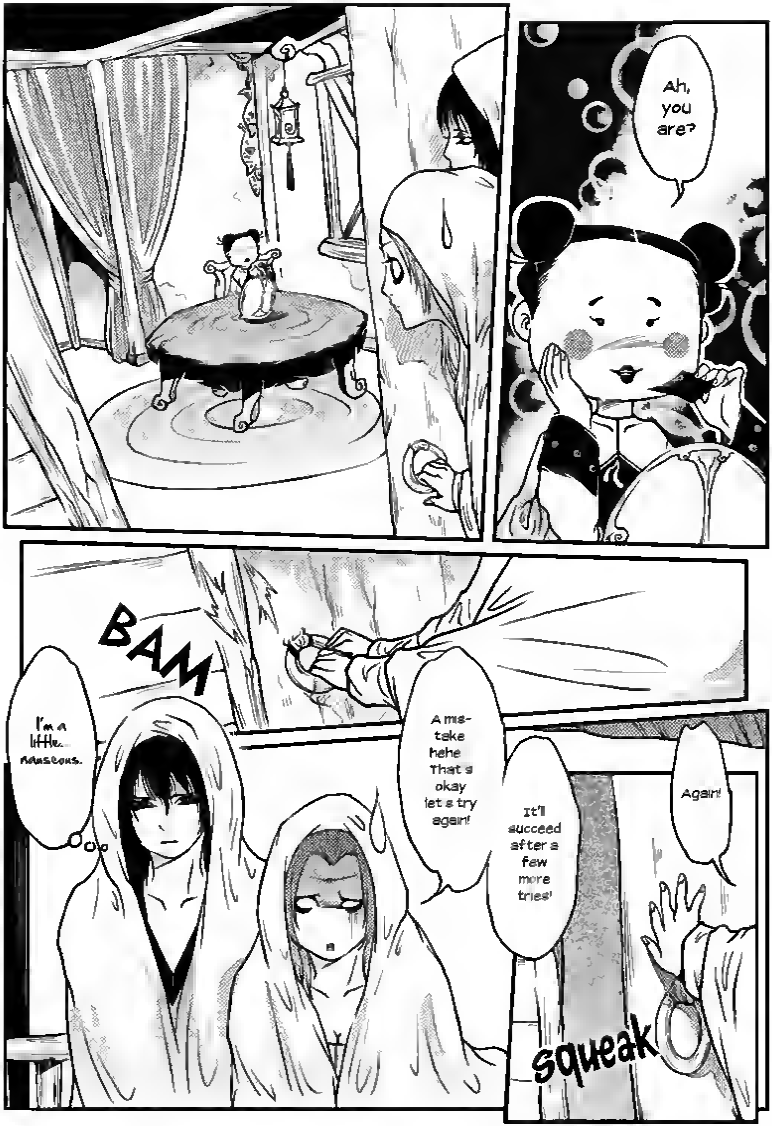
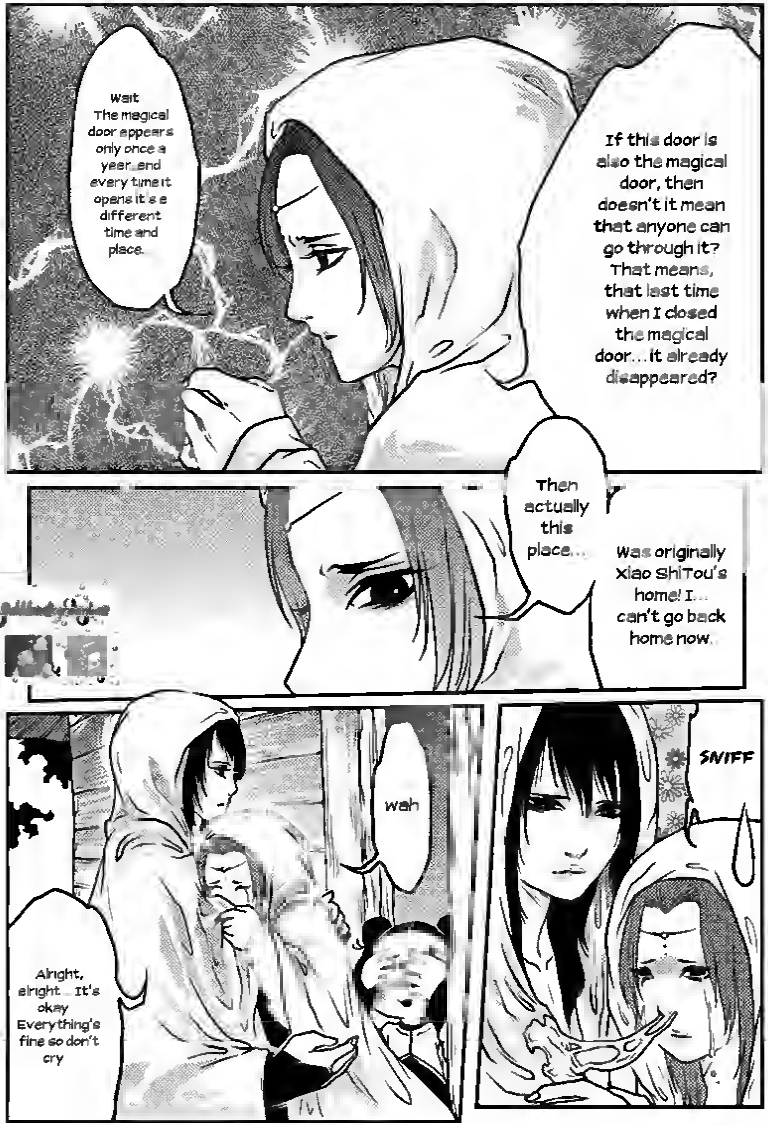
It's been one month and three days...
Since the day the girl and the thirteenth floor disappeared together.
Do you hate me?
I've already made it a habit to come here after school to wait.
Do you hate me?
It somehow feels like she will suddenly appear.
Do you hate me?

Is this the school?
It opened! Ha!
sneak
Is that you?
JunHao ?



Ah, you are?
BAM
I'm a little... nauseous.
A mistake hehe That's okay let's try again!
It'll succeed after a few more tries!
Again!
squeak

Sister! It's you
No, I'm not!
squeak
BAM
AGAIN!
Xiao ShiTou remembers that sister is Yun'er's master
squeak
Don't come closer!
BAM
One more time!
Sister please come in and sit, so Xiao ShiTou
squeak
Can serve as a good host
THIS... THIS IS YOUR HOUSE? HOW... HOW CAN THIS BE...
THIS IS CLEARLY THE MAGICAL DOOR I CAME OUT OF! WHY?

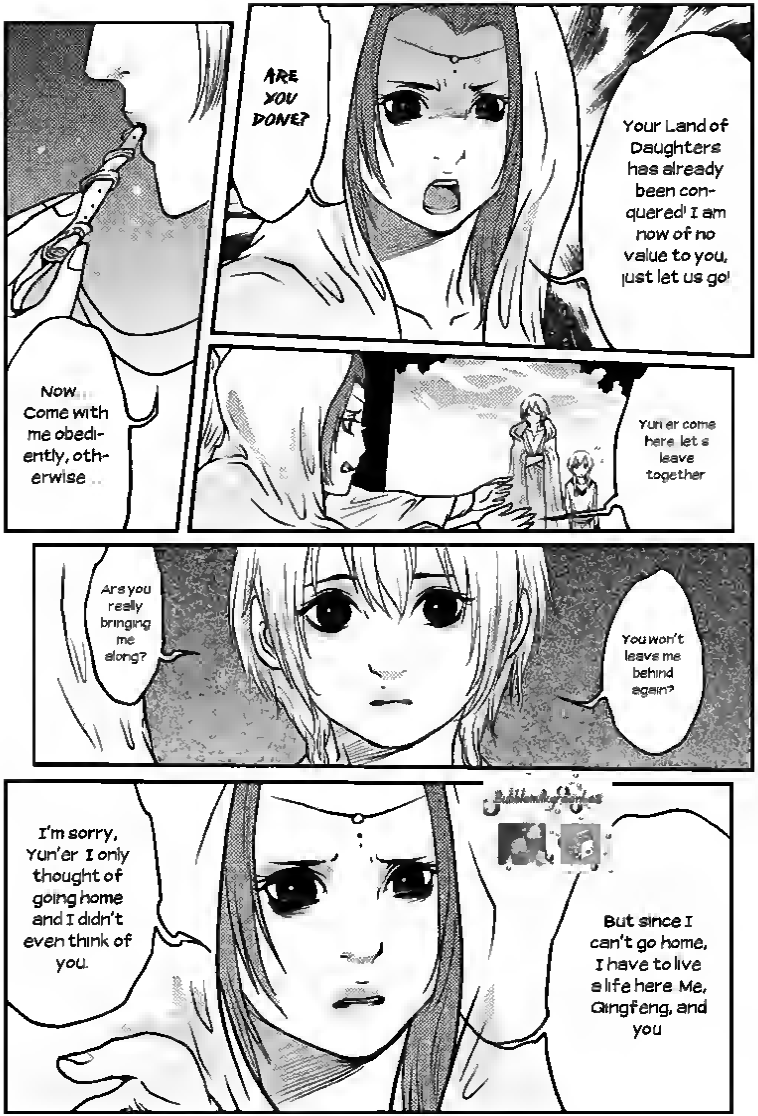


Wait
The magical door appears only once a year...and every time it opens it's a different time and place.
If this door is also the magical door, then doesn't it mean that anyone can go through it? That means, that last time when I closed the magical door...it already disappeared?
Then actually this place...
Was originally Xiao ShiTou's home! I... can't go back home now.
wah
Alright, alright... It's okay Everything's fine so don't cry
SNIFF

Come wipe it off
sniff
How degenerate!
You are already a husband to someone, yet you have eloped with her, how can you still face me. Qingfeng
And you, did you forget you have bugs in your stomach? You dare escape? Are you not afraid of dying?
DAMN WEIRDO! WHAT DO YOU WANT NOW?
You...

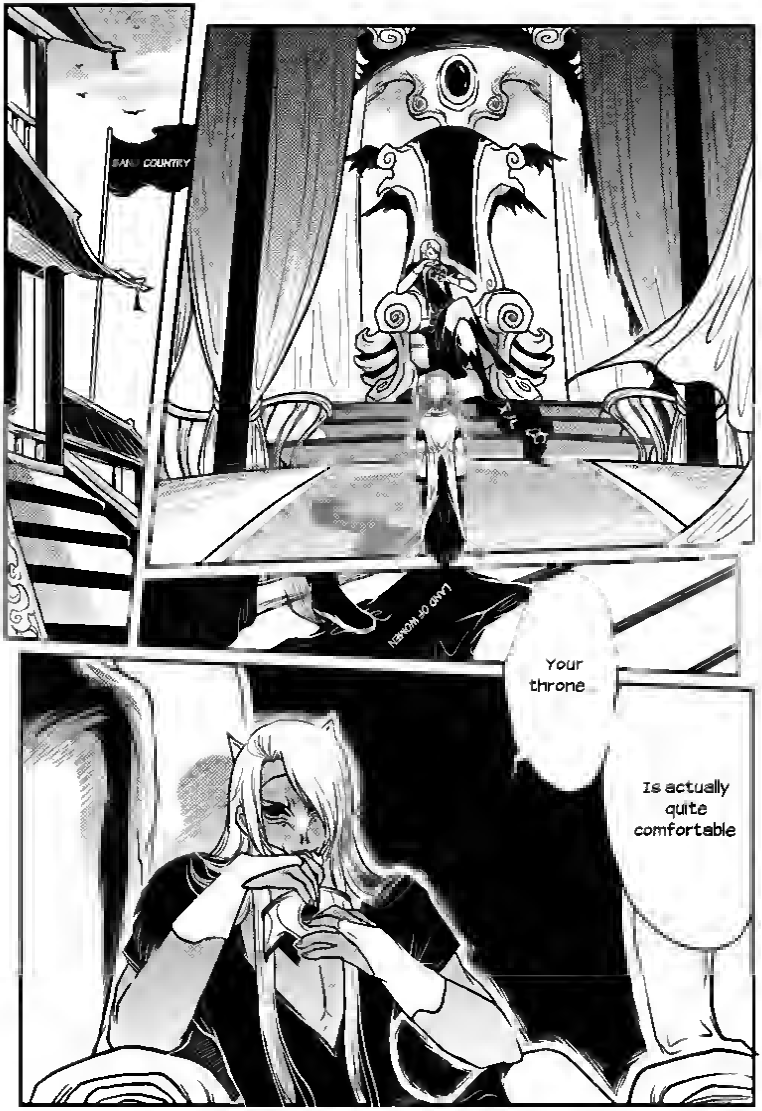
Who are you?
He's a huge freak!
Are you pretending not to know me?
What ?
Brother
Do you still remember me?
Brother
Ten years ago... you still owe me...
Bullshit
Leave! I hate little brats the most! Don't use those dirty hands to touch me!

T/N. HE'S USING A MORE SUPERIOR FORM OF 'I', LITERALLY TRANSLATED TO 'THIS KING'.



ARE YOU DONE?
Your Land of Daughters has already been conquered! I am now of no value to you, just let us go!
Now... Come with me obediently, otherwise...
Yun'er come here let's leave together
Are you really bringing me along?
You won't leave me behind again?
I'm sorry, Yun'er I only thought of going home and I didn't even think of you.
But since I can't go home, I have to live a life here Me, Qingfeng, and you

grab!
I absolutely hate this kind of
Warm scene that makes one want to vomit.
If I tell you to do something, you do it without any nonsense! Or else...
I'll blow the whistle and then strangle this brat!
Stop! I'll go with you!
Don't hurt Yun'er!



COUNTRY
LAND OF WOMEN
Your throne
Is actually quite comfortable

If you like it, then you can have the throne. Just...
Don't give the civilians a hard time.
Tsk
Right now...
What right do you have to negotiate with the king on conditions?
I am the condition!
You only have about a hundred thousands of soldiers, the Land of Daughters has a million soldiers, if you don't have me as a bargaining item...
Your troops will be annihilated! I am not afraid to die.

You already knew of the ambush, yet you still decided to leisurely visit YiHong Yuan. Is the downfall of your country not even a cure for your arrogance?
Queen!
To topple this vulnerable Land of Women, it's too easy!
SCRATCHHH
When you were expanding your territory you didn't hesitate to wipe out the Sand Country, forcing the people into destitution. My hatred for you knows no bounds!
The victors have all the rights to say whatever they want! You just need to promise not to hurt my people
I accept anything done to me!
I don't give a damn about your cheap life

CRASH
And I care even less for this land! I only want three things from you!
You will leave my country alone? Fine! I'll agree to anything you want!
Firstly, I want an agreement that the Land of Women will never invade the Sand Country and a tribute will be paid to us every year!
Secondly, present to us the Land of Women's treasure... the jade statue of the goddess!

Very well! I agree to them.
What is the third condition?
Thirdly...
I will marry the prince of the Land of Women!

To be continued.....
